

A Massive Leap Forward for Your Facility

PROVEN QUALITY. LEADING TECHNOLOGY.

WHY QUANTM[®]

- Revolutionary electric technology
- Plug-and-Play
- Up to 80% reduction in energy consumption
- Easily replaces pneumatic pumps
- Improved pump control

SAVE ENERGY, CUT COSTS AND RUN CLEANER

QUANTM[®] isn't just another electric pump: it's a game-changer. QUANTM features a revolutionary electric motor design that will reduce operational costs and keeps your production lines running. It is a perfect fit for most fluid applications and a drop-in replacement for existing pumping technologies. QUANTM is quieter and more efficient. Protect your bottom line by converting to a QUANTM Electric Pump.

EFFICIENT ELECTRIC DRIVE

- Up to 80% less energy consumption
- Requires NO air
- 40db sound level for operation flexibility
- NO freezing

INTEGRATED CONTROLS

- Control flow and pressure at the pump
- I/O for remote operation

AUTOMATED PRIMING

PROVEN ADD BENEFITS

- Stalls under pressure
- Self-priming
- Dry running
- Handles solids and abrasive materials

PLUG AND PLAY

- Factory wired for quick install
- 120V and 240V options
- Standard, C1D1 and ATEX models available

The industry of tomorrow isn't expensive, hard-to-learn, and a burden on your team. It's smart, simple, clean, cost-effective and environmentally responsible. We designed QUANTM to be quieter, lighter, more reliable, and easier for anyone in your team to maintain. QUANTM comes in several configurations offering a solution for many fluid applications. QUANTM isn't one small step toward a better facility – it's a leap into the future.

Model	QUANTM i30 (1")	QUANTM i80 (1 1/2")	QUANTM i120 (2")
Material of Construction	Aluminium, Polypropylene, Conductive Polypropylene, Stainless Steel, PVDF	Aluminium, Polypropylene, Conductive Polypropylene, Stainless Steel, PVDF	Aluminium, Polypropylene, Conductive Polypropylene, Stainless Steel, Cast Iron, PVDF
Pressure	100 psi (7 bar, 0,7 MPa)	100 psi (7 bar, 0,7 MPa)	70 psi (5 bar, 0,5 MPa)
Flow	30 gpm (115 lpm)	80 gpm (300 lpm)	120 gpm (450 lpm)
Voltage	120V, 240V single and 3 phase	120V, 240V single and 3 phase	120V, 240V single and 3 phase

OUR BRAND PROMISE TO YOU

Since 1926, **innovation**, **quality** and **A+ Service** have been at the centre of Graco.

Experience Innovation

Our focus on innovation results in products and equipment that lead the industry with technologically-advanced features, pioneering design, high performance and unparalleled reliability. In short, innovation is how you get better products!

Building Quality

You're investing in high-quality products built to last for years of reliable service. Moreover, we partner with our customers to better understand how you're deploying our products in the field, then use your experiences to improve performance and durability.

A+ service, every time

You'll see A+ Service in action when you contact any of our support services options no matter where you are in the world. We'll listen to your situation and work methodically to resolve it as quickly as we can. We are guided by a mindset of integrity and a customer service view centred on collaboration and relationships, not transactions.

We're here to answer questions and help address your needs:
